PROJECTS

FitnessFinder

[Demo](#) | [Source](#)

- Developed a fitness location app aggregating NYC fitness spots, enabling streamlined discovery/navigation
- Created a fully responsive UI with **React/TypeScript**, emphasizing reusable components and type safety
- Implemented state management with **Redux** to ensure consistent and predictable application state
- Built a **Java Spring** backend with role-based authentication, supporting personalized accounts, favorite sites
- Designed an ORM schema via **Hibernate** to simplify database interactions through an object-oriented model
- Integrated the OpenStreetMap API for rendering geospatial location markers, enhancing user exploration

BallerBlitz

[Demo](#) | [Source](#)

- Developed a social platform for basketball fans to predict game outcomes, track stats, and share with friends
- Designed a responsive UI with **React/TypeScript**, optimizing load times through code-splitting, lazy loading
- Built **Node.js/Express** backend with **PostgreSQL**, managing 30+ RESTful endpoints for core business logic
- Implemented JWT auth with WebSocket email verification to secure user access, maintain account integrity
- Establish data pipeline to fetch, transform, and deliver real-time scoreboard API data to the frontend
- Automated CI/CD workflows with GitHub Actions to ensure seamless, error-free releases

WORK EXPERIENCE

Premium Merchant Funding

New York, NY

Business Development Representative

December 2024 - Present

- Led client outreach, making high-volume cold calls and emails to generate leads and educate small to medium business owners on financing options, including SBA loans, credit lines, and real estate financing
- Managed the full sales cycle, building strong client relationships, collecting and organizing financial documents, and guiding businesses through funding processes to ensure successful deal closures
- Developed web-based financial calculators with **React** to assist with client assessments, funding scenarios

Aspen Dental

Vestal, NY

Dental Assistant

June 2022 - November 2024

- Supported general practitioners and specialists in a wide range of dental procedures, contributing to smooth and efficient operations; guided patients through their visit, ensuring they felt comfortable and informed
- Maintained clear and open communication with office staff to ensure a well-coordinated office environment
- Utilized in-house EPMS web application software to manage treatment plans and schedule patient visits

Binghamton University Residential Life

Vestal, NY

Mentor Resident Assistant

August 2019 - May 2022

- Cultivated a supportive community of 25+ residents through weekly counseling and engaging dorm events
- Collaborated with team members to resolve resident issues, organize weekly meetings, and coordinate events
- Mentored newly hired resident assistants, fostering their professional development and integration into team
